## **GRATITUDE SCAVENGER HUNT** write down what you've found

something that makes you happy	something that tastes good	something that makes you laugh
something that you are thankful for	something that you can cuddle	something that
you are mankful for	you can cudale	is new
something that you use in the morning	something that you use at night	something that keeps you healthy
something that you like playing with	something that you love to read	something that brings you good
you inte playing with	you love to read	memories
something that reminds you of someone you love	something that you love the smell of	something that would make a friend
someone you love	you love the smell of	happy
